## BOWLERS ROLL HIGH SCORES

Nine Booster Leaguers Top Six-Century Mark, as Do Eight Omaha Rollers.

## FREMONT ENTERS TOURNEY

Omaha bowlers were at their season's best last week and several high totals were rolled. The Booster league led in scoring with nine rollers topping the six-century mark and the Omaha league came next with eight. The latter led in team play, however, only one team being under the 2,000 mark. The Commercial and Magic City leagues also were strong with good team and individual scores.

Standings in most of the leagues remain unchanged. All leagues are having close races and interest is at the highest point.

Last week saw the Moose Club leaguers complete their organization and get started on a regular team schedule. Dan Butler started them off with a short speech and rolled the first ball. Chet Woches is at the head of the new organization and under his guidance the new league is bound to be a success.

Several special match games were played throughout the week between rival organizations.

**New League in Field.**

During the coming week another league will be organized from the ranks of the M. E. Smith employees. Eight five-man teams have been organized and they will hold their grand opening Monday night on the Association alleys.

The coming handicap tournament is progressing. Entries are already coming in, one of which is an outside entry from the Fremont bowlers. Efforts are being made to enter other teams from neighboring bowling towns. Dad Huntington, who is managing the big event, predicts that about thirty-five teams will be in the lineup and that this tournament will be the largest local event ever staged here.

The local bowlers' organizations have started to promote the annual city tournament and will hold it during February. At the meeting next Sunday afternoon complete plans will be made for staging the annual event. The tournament will also be taken up at this meeting.

**SOUTHWEST IOWA STOCK BREEDERS ORGANIZE**

SHENANDOAH, Ia., Jan. 16.—(Special.)—Breeder of pure-bred live stock of Page, Fremont, Mills and Montgomery counties organized the Southwest Iowa Breeders' association here yesterday afternoon. The object of the organization is to promote co-operation among the breeders, and especially good markets for their live stock. C. F. Mitchell was elected president of the new organization.

A novel plan of having the breeders read in once a month a list of the stock they have for sale to the secretary will be adopted. In this way the buyer will have to consult the secretary to tell where he will be able to get what he wants. There are 275 owners of pure-bred live stock in the four counties and a majority of them will become members.

The
